C. Background Objective and Scope of Work

1.0 Background

The Baiteshwor Rural Municipality is rich in panoramic beauty of nature and natural heritage with significant historical evidences of worthy justification. With great mission and long term vision of developing the tourism based destination rural municipality encompasses the significant policy for the fiscal year 075/076 to develop basic physical infrastructure and amenity services for the overall planned development of tourism activities has decided to prepare tourism master plan for various prospective tourism infrastructure and facilities development. Such Master plan is expected among others to provide a holistic approach to infrastructure development for new tourism facilities and amenities including the construction of earthquake resistant built structures specially in the quake of 2015- Gorkha earthquake and also to project the future infrastructural demand and need. The policy aimed at regionalization of tourism activities by developing tourism infrastructure in major urban growth centers is expected to add new impetus for tourism development and create attraction to tourism opportunities in the region.

To materialize the planned development activities in tourism, the Baiteshwor Rural Municipality among other several initiatives intends to prepare a Topographic Survey, Master Plan Preparation of Hunumante Hill Area in Baiteshwor Rural Municipality, Gaurishankar Rural Municipality and Jiri Municipality of Dolakha,

In this context, Baiteshwor Rural Municipality is seeking to hire separate consultancy firms for its consulting services which includes either single or more locations for the preparation of Topographic Survey, Master Plan Preparation of Hunumante Hill Area.

1. 2 The objectives of the Project are:-

The main objective of the prospective consulting services is to prepare the Topographic Survey, Master Plan Preparation of Hunumante Hill Area in Baiteshwor Rural Municipality Gaurishankar Rural Municipality and Jiri Municipality of Dolakha district for the purpose of initiate construction works in the year 2076. The specific objectives of the job are:

- To carryout Topographical surveying and study of infrastructural provisions
- To prepare Master plan of surveyed land with including Human statue, Landscape, park, approach road and foot trail from three said public entity& possibilities of tourism facilities.
- To prepare Final Report of Topographical Surveying.
- To carryout site measurement. site analysis and study of infrastructural provisions

Expression of Interest

- To carry out soil investigations
- To prepare detailed architectural Master plan drawings of the Hanuman statue and allied service infrastructure
- To study the bio- diversity, ecosystem and community forest
- To prepare detailed bill of quantity, cost estimation and business plan for the process of DPR.
- To carry out the Detail Structural Analysis and Engineering design of the statue of Hanuman with view tower.
- To carry out the best trail root from Baisakheshwor Mahadev to Tshorolpa through Hanumantenad Cherdung.
- To carry out the Detail Electrical Design of the statue of Hanuman with view tower
- To carry out the Detail Sanitary Design of the statue of Hanuman with view tower
- To Prepare Detailed cost Estimate and BOQ of Hanuman with view tower.

1.3 Scope of the Work

The consultant shall provide high quality professional services for the said job with reference to the standard method of Master planning preparation. The scope of works to be carried out by the Consultant shall broadly include, but not be limited to the followings:

a. Preliminary Design Phase Redesign Phase

Field Reconnaissance by the planning & design team including Team/leader architect & planner. Assessment & informative survey of locally available construction materials & technology, collection of district rates. Study of local architectural & regional characters of the built structure of the project area.

- i. Study the site features, soil conditions, biodiversity, topography, climate, vegetation, orientation, visual quality and existing approach roads

 - ❖ Preparation of animation of buildings and whole developed site area and allied infrastructure with necessary details; information and as specified and required by the client.
 - ❖ To carry eastimate of the best trail root from Baisakheshwor Mahadev to Tshorolpa through Hanumante- Cherdung.

Expression of Interest

- ❖ Preparation of preliminary Cost Estimation, Rate analysis and construction specifications and preparation of Tender process:
- ❖ Preparation of phase-wise cost plan of the construction of the site based on multi-year investment plan of rural municipality. prioritization of the construction of built structure and the municipality feedbacks
- ❖ Preparation of textual report highlighting the information as mentioned in (i) (ii) & (iii) under the scope of work & including the architectural & engineering design concept in terms of area formulation, functional relationship of structural system, cost consideration, architectural expression, materials and the phase-wise development (wherever pertinent) cost.
 - Other items

I. Specifications, Bill of Quantity & Cost Estimates

The consultant shall prepare a specifications for all the designed works to be carried out, the bill of quantities for each items of work and their cost-estimates based on most recent approved district rates.

Consultant shall submit these document in both soft and hard copy.

1.7 Format of report

The consultant is expected to prepare and submit the final report prepared in English. The draft final report should be submitted for comments. Comments should be obtained on the draft plan from the client for its finalization. The consultant is expected to submit three set of reports in the text and one digital copy in digital format.

Team Composition

The details of team composition desired are given as tabulated below.

	Proposed Position	M. Education Qualification	Years of Experience	Man month	Envisaged Task	Remarks
1	Team leader	B. Arch with Masters in Architecture/Urban Design/Urban Planning/CM	10	1	Overall responsibility for the project in accordance with TOR. He is responsible for field study of architectural features; conceptual Architectural planning and design, provides the overall guidelines for the detailed working drawings and architectural design report in texts.	Masters in arch/design/planning preferred Relevant experience in office building design is referred
2	Senior Architects	B.Arc.	7	1	Under the guidance of team leader, the Architect will take the responsibility regarding architect for structural solutions and detailed design of built and allied	
3	Structural Engineer	B.E in Civil with Masters in Structure Engineering	7	1	Under the guidance of team leader, the structural engineer will take the responsibility regarding field valuation of the soil condition, local construction technique, assists architect for structural solutions and detailed design of built and allied	Earthquake resistant building design experience preferred
4	Electrical Engineer	B. E in Electrical Engineering	7	1	Provide inputs to architect for electrical layout, detailed engineering design of external and internal electrical works and BOQ, cost estimation & specification	Experience in building sector preferred
5	Sanitary Engineer	B. E in Sanitary Engineering	7	1	Provide inputs to architect for sanitary layout, detailed engineering design of external and internal sanitary works and BOQ, cost estimation & specification	Experience in building sector preferred
6	Environmental Engineer	M.Sc. Environmental Engineering or Equivalent	5	1	Under the guidance of team leader, the geotechnical investigation, soil properties, bearing capacity will be conducted	

Expression of Interest

7	Geotechnical Engineer	Master degree in Geotechnical Engineering or equivalent	5	1	Under the guidance of team leader, the social survey like population beneficiaries, social issues will be dealt regarding field	
9	Civil Engineer	B.E in Civil Engineering.	5	1	Under the guidance of team leader, Estimate and BOQ Preparation.	
Support Staffs						
10	Surveyor	BSC/BE in Survey	10	2	Experience in topographic survey and map production	
11	Draft Persons	I.E in architecture	5	5	Experience in Auto-cad working drawings	

Qualification of the Personnel's:-

1.0 Team leader

Master's degree in Urban Planning/ Civil Engineering, Architecture or equivalent and minimum 10 years of experience in relevant field. PhD. in Urban Planning/Civil Engineering/Structural Engineering/Architectural shall be given more advantage.

Structural Engineer: Qualifying Criteria Master Degree in Structural Engineering with 10 years work experience.

2.0 Senior Architect

Master's/Bachelors Degree in Architectural Engineering with minimum 10 years experience (After Bachelor) in the relevant field.

3.0 Structural Engineer

Master's Degree in Structural/Earthquake Engineering with minimum 5 years experience (After Bachelor) in the relevant field.

4.0 Sanitary Engineer

Masters/Bachelors Degree in Civil/Environmental Engineering with minimum 5 years experience in the relevant field.

5.0 Geotechnical Engineer.

Masters Degree in Geotechnical Engineering with minimum 5 years experience in the relevant field.

6.0 Environmental Engineer

Masters Degree Environmental Engineering with minimum 5 years experience in the relevant field.

6.0 Electrical Engineer

Qualifying criteria: Bachelors Degree in Electrical Engineering with 5 years work experience.

7.0 Civil Engineer

Qualifying criteria: At least bachelor in Civil Engineering, Higher degree desirable with 5 years work experience

8.0 Architect

Qualifying criteria At least bachelor in Architecture subjects, with 5 years work experience.

9.0 Draft Person

Expression of Interest

Qualifying Criteria: At least Diploma in Architecture subjects, with 3 years work experience

10.0 Sub Engineer

Qualifying Criteria: At least Diploma in Civil Engineering, with 5 years work experience

10 Sociologists: - Minimum Masters degree in sociology with 5 years experience in the relevant field.

11 Geologist

Minimum Masters degree in Geology with 5 years experience in the relevant field.

1.9 MODE OF PAYMENT

The mode of payment will be as

The first installment (30%) will be paid after the submission and approval of Inception Report.

The second installment (50%) will be paid after the submission and approval of Draft Report.

The Final Payment (20%) will be paid after submission and approval of Final Report.

1.10 TIME SCHEDULE

The consultancy service shall be completed within the 3 months from the date of signing of the contract agreement. The following Work Schedule shall be taken as guidelines for the study.

1.11 Work/Activity Schedule:

The total estimated time to complete the entire job is 3 months for each package. The major work activities and tentative anticipated time is as shown in the chart below.

SN	Activities	First Month in Week				Second Month in Week				Third Month in Week			
		1 st	2 nd	3 rd	4 th	1 st	2 nd	3 rd	4 th	1 st	2 nd	3 rd	4 th
1	Inception Phase												
1.1	Inception Report	■											
2	Draft report phase												
2.1	Desk Study and Secondary data collection		■										
2.2	Field visit/ Primary data collection, measurement and preparation of drawing of existing building			■									
2.3	Detailed Design of statue of hanuman with view tower and entire master			■									

Expression of Interest

	plan.												
2.4	Detail Design Quantity and Cost estimate for statue of hanuman with view tower and entire master plan, drawing and report preparation and submission of draft												
3	Incorporation of comments on draft, final report preparation and submission												

6.1 Deliverables:

The consultant shall submit following report in three stages.

Inception Report: The Consultant should submit two hard copies of Inception Report within 3 Weeks from the date of agreement.

Draft Report: The Consultant should submit two hard copies of Draft Report for each work. All the draft reports shall be submitted within 12 Weeks from the date of agreement.

Final Report: The Consultant should submit Five Hard copies of Final Report along with one soft copy within 12 Weeks from the date of agreement.

Expression of Interest

D. Evaluation of Consultant's EOI Application

Consultant's EOI application which meets the eligibility criteria will be ranked on the basis of the Ranking Criteria.

<u>i) Eligibility & Completeness Test</u>	Compliance
Copy of Registration of the company/firm	Pass/Fail
VAT/PAN Registration	Pass/Fail
Tax Clearance/Tax Return Submission/Letter of Time Extension for Tax Return Submission of fy 2074/075	Pass/Fail
